

SICKKIDS BY THE NUMBERS

100,000+ CHILDREN

Each year, more than 100,000 children rely on the lifesaving care provided at SickKids.

SickKids provides a full spectrum of child health services for **infants to youth up to the age of 18**.

SickKids started in 1875 with six iron cots in an 11-room house; now, SickKids sees, on average, 285 patients a day.

Last year, there were 2,168 grant-funded research projects taking place and 3,025 clinical protocols underway.

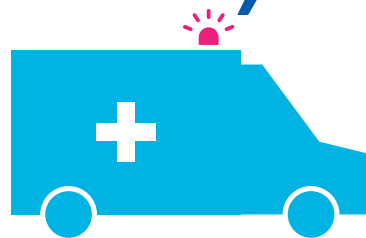

SickKids has more than **232,000 donors**, who together, raised **\$125.9 million** last year.

A child is registered in the Emergency Department at SickKids **every nine minutes**.

65,705

Last year, SickKids saw **65,705 emergency visits**.

The average length of a patient's stay is **6.7 days**.

More than **8,700 people** work at The Hospital for Sick Children.

Since its beginnings in 1954, the SickKids Research Institute has become the **largest child health research institute in Canada**.

The Hospital for Sick Children is recognized as **one of the world's foremost paediatric health-care institutions**.

Last year, **1,883 residents, fellows & students** received training at SickKids.
